

TOWN OF ALTONA
BY-LAW NO. 1835/2025

(as approved by Municipal Board Order No. E-25-099)

Being a by-law to establish a rate for the collection and disposal of solid waste, compostable and recyclable materials and the operation of a landfill site within the Town of Altona as a special service for 2026 to 2030, inclusive.

WHEREAS Section 312 of The Municipal Act of Manitoba, provides in part as follows:

312 If approved by by-law, a municipality may provide, as a special service to all or part of the municipality, to one or more of the following:

(e) the collection and transportation of waste or recyclable materials:

(l) maintenance or operation of a local improvement;

AND WHEREAS subsection 320(1) of the Act provides as follows:

320(1) Subject to subsections (2) to (6) and subsection 321(4), a council may by by-law

(a) approve the local improvement or special service as set out in the plan or proposal; and

(b) authorize the municipality to impose taxes as set out in the plan or proposal.

AND WHEREAS the Council of the Town of Altona has prepared Special Service Plan No. 2026-01 to establish a rate for the collection and disposal of solid waste, compostable and recyclable materials, and

Schedule “A”

TOWN OF ALTONA

SPECIAL SERVICE PLAN NO. 2026-01
FOR
COLLECTION & DISPOSAL OF SOLID WASTE (I.E. GARBAGE)
COLLECTION & PROCESSING OF RECYCLABLE MATERIALS
COLLECTION & PROCESSING OF COMPOSTABLE MATERIALS
OPERATION OF THE LANDFILL SITE

(Pursuant to Subsection 314 of The Municipal Act)

(a) Description of the Proposed Special Service

Many years ago, the Town of Altona began a garbage collection service. During the first number of years this service concentrated on the collection of garbage only. The Town of Altona, together with the Municipality of Rhineland have also operated a joint waste disposal site for several years. Both operations have grown to the point where they are at today.

The current operations consist of solid waste collection and disposal, recyclable materials collection and processing, compostable materials collection and processing and operation of the present landfill site. The operation of the present landfill also consists of several activities such as:

- an oil recycling “EcoCentre” which consists of receiving used oil products, used oil filters and used oil containers;
- an all-hours drop-off area for compostable yard waste and tree branches; and
- a waste diversion area to sort out wastes such as concrete, shingles, wood products, tires, mattresses and other recyclable materials from general landfill wastes.

BY-LAW NO. 1835/2025
(as approved by Municipal Board Order No. E-25-099)

Schedule “A” (continued)

Further, the Town previously prepared and passed Special Service by-laws to recover the cost of these services on a per parcel (property) basis. Council, under By-law No. 1835/2025, is proposing to continue to tax an amount on each property benefiting from the services, as Special Service By-law No. 1789/2020 has expired.

(b) Special Service Area to be Levied

The Special Service Area to be taxed under this proposal will be all residential, commercial and institutional property within the Town of Altona. All vacant lots, farm property (Class 30) and railway property (Class 52) are excluded.

(c) Estimated Cost of the Service

The budgeted amounts for the various services covered by the special service tax are detailed in this plan on the following page.

The estimated costs do not take into consideration any amortization of equipment and buildings which are used in the operations of the above, nor do they make any provision for any purchase of additional land or equipment which may be required in the future. They also do not include any provisions for any type of reserve fund to help offset future costs.

(as approved by Municipal Board Order No. E-25-099)

Schedule “A” (continued)

Curbside collection services means that all waste containers (i.e., bags, containers, carts) must be placed near the curb for pickup.

Residential properties consist of single dwellings and two-unit dwellings or duplexes.

Other Properties consist of businesses, churches, town facilities, schools, hospitals or other health facilities and institutional properties.

All residential rates are based on a per dwelling basis and will remain in effect through to December 31st of each year as indicated above. These rates apply to properties that receive curbside collection services.

Multi-unit buildings

Type of Property	Effective January 1st of:				
	2026	2027	2028	2029	2030
Multi-unit building (per dwelling)	\$215	\$220	\$225	\$230	\$235

Multi-unit buildings refer to apartment buildings with more than two dwellings. Multi-unit buildings will be provided with commercial containers by the Town of Altona sufficient to service the property based on the waste limits set out below. The containers are to be placed, in consultation between the Town of Altona, the property owner and the Town of Altona’s contractor, at a location on the property that is easily accessed by the contractor. Containers will be emptied on a weekly basis.

Owners of multi-unit buildings who are not satisfied with the service provided by the Town of Altona may opt out of the Town-provided

service, privately acquire garbage collection services and qualify for a discounted special service tax levy as shown in the next section.

Additional services for Other Properties

Property owners requiring collection of waste more than the waste limits set out below will be required to purchase bag tags or privately acquire additional services such as commercial containers to meet their specific waste management needs. Commercial containers provided by a contractor are to be placed on private property in consultation between the property owner and the commercial contractor.

Other Properties or Multi-unit buildings that privately acquire additional services such as commercial containers and opt out of the Town’s garbage collection service will qualify for a discounted special service tax levy as shown below.

Type of Property	Effective January 1st of:				
	2026	2027	2028	2029	2030
Other Properties	\$115	\$120	\$125	\$130	\$135
Multi-unit buildings (per dwelling)	\$115	\$120	\$125	\$130	\$135

Waste limits

The annual rates for curbside collection services are based on one pickup per week and the following waste limits:

Solid Waste (i.e., garbage)

Residential	1 container per dwelling
Other Properties	3 containers per property
